

February 20, 1986

Attention All IBM System 38 Users:

The Greater Salt Lake Area System 38 Users Group (GSL/38) will hold their next meeting on Tuesday, March 11, 1986 at 11:00 AM in the upstairs conference room at:

Six States Distributors
247 W. 1700 S.
Salt Lake City, UT 84115

This will be our annual meeting to elect officers of GSL/38 and to conduct other business of the group. This will mark the first anniversary of GSL/38. We have had good participation, and each member has benefited by having the association of others in this group and from the very informative monthly presentations. We invite everyone to join us in this worthwhile endeavor.

We will also have a presentation of Electronic Data Interchange given by Lee Horne, Data Processing Manager, ICCC and GSL/38 Treasurer.

As always, light refreshments will be served in bits, bites and paper cups.

The GSL/38 presidency extends a "THANK YOU" to all who have contributed, participated or otherwise have made this past year such a big success for all of us.

President - Jerry McMillan, Price Waterhouse
V. President - Larry Isakson, Intermountain Health Care
Secretary - David Larsen, Six States Distributors, Inc.
Treasurer - Lee Horne, Interstate Contract Carrier Corp.
