

I B M MID-RANGE USER GROUP

Hear Ye, Hear Ye,

The next meeting of the IBM Mid-Range User Group will be held:

Wednesday January 10, 1990.

Your presence is requested and you are hereby summoned to appear at:

Murray City Council Chambers
5025 South State Street
Murray, Utah 84107

To hear the court enchanter expound the mysteries of Telephony...

Sir Todd Tanner
of
TANNER COMMUNICATIONS

Failure to appear will outrage the court and is punishable by being forced to spend one long and tedious hour with the court jester -- Floyd George.

The court acknowledges the generous and kindly gift of JAZZ tickets donated by IBM. Hail to thee Big Blue and know of our indebtedness (even though the wrong people won them)!
