

# IBM MID-RANGE COMPUTER USER GROUP

NOVEMBER MONTHLY MEETING

WILL BE HELD ON

NOVEMBER 13, 1991

AT 11:30 AM

MURRAY CITY COUNCIL CHAMBERS

5025 South State Street

Murray, Utah 84107

*Brad MacPherson, IBM System Engineer, will discuss the advantages of Version 2 Release 1. (V2R1).*

*Just a reminder that the Christmas luncheon at Mark Twain will be the 3rd Wednesday in December, the 18th.*

*Attached you will find two Office Vision classes and the Disaster Class information from our August meeting. The Disaster Class tuition is normally \$900.00 per person, but if we have fourteen people attend, the tuition would be \$642.86 per person; a savings of over \$250.00 per person. Fourteen people are required for the discount, but the more people that attend, the less it is per person. The first available date is February 17, 1992. The next available date would be February 24, 1992. If interested please contact Sharon Maass.*
