  New Workload App Flexibility

Register for this telecon by going to the iNation web site: Link
http://www-1.ibm.com/servers/eserver/iseries/nation/events/chat/index.html

EVENTS:

ISERIES TECHNICAL CONFERENCES

There are two technical conferences this year. The dates are:
    July 17-21 - Bally's Las Vegas
    Oct 28-Nov 1 - Fontainbleu Hilton Miami
You can register on the iSeries web site - www.iseries.ibm.com

Please contact Robin Van Wagenen at IBM (328-6817) or your business partner
if you have any specific questions on the V5R2 and i890 announcement. We
are planning a session at the user group in August on the "nitty gritty
details" of V5R2.

6/12/2002

As a reminder, the support dates for end of support are as follows: You can
still run, but software support will open no new problem numbers:

V4R5 - 7/31/2002
V5R1 - 5/31/2003

6/12/2002
