

IBM MID-RANGE COMPUTER USER GROUP

NOVEMBER MONTHLY MEETING
WILL BE HELD ON
NOVEMBER 14, 1990
AT 11:00 AM

MURRAY CITY COUNCIL CHAMBERS

5025 South State Street
Murray, Utah 84107

Statistics indicate that most businesses fail within two years after a major Data Processing disaster. Unfortunately, many of us do not give Disaster Recovery proper attention. Eric Murdock, of JB'S Restaurant, will repeat the presentation he recently made at a National Convention. We hope this session will stimulate some thought on this very important topic.
