MARCH

Our March meeting will be held **11:00 a.m.** Wednesday, March 9, 1994 at the **MURRAY CITY OFFICES 5025 S. STATE.**

IBM has a group of people that travel around the country to discuss different issues pertaining to the AS-400. They are coming to our meeting in March. They will be discussing the future directions of the AS-400. This is a meeting that everybody who plans on having an AS-400 around for a few years will want to be at. This information will be coming straight from IBM not from the grape vine. This is a meeting that everybody will want to be at. SEE YOU THERE.

COMMON

Common is March 21-25 in Anaheim California the Users Group has a membership that can be used by all members. If you are planning on attending contact one of the officers.

FEBRUARY

Terry Fowler, one of our members, from American Investment Bank discussed security. He discussed the audit journal, how to better use Quser tools, enhancements to security in V2R3, how to trace all commands that are entered on the command lines and what to do with the reports, how to organize security, and why the banking industry needs the high level of security required. Terry was a great speaker. He knows security. If there are any questions he would be a great resource.

USED EQUIPMENT

Edward Romney 240-4929 from the LDS Church has a 3812-2 and a 5219-D02 if anybody wants them. If you have any used equipment to get rid of let Kirk Nacey know and he can put it in the news letter.

GENERAL

This news letter is a resource to all members. If there is any subject that you would like to see discussed, any announcements that should be made, or any recipes to pass out contact KIRK NACEY at 972-3558 X110.

APRIL MEETING
